PowerDial™

Toll-Free Access To Lower Rates

PowerDial™ helps you to stay connected to friends and family around the world at lower rates. Whether you need to call everyday or once a week, with PowerDial™ you pay for only the time you talk. It also provides you with the alternative to use PowerNet Global rates without switching your long distance service.

How does this work? This technology is very similar to 10-10 dial-around programs. With PowerDial, when you dial 1-888-30-30-730 you will have toll-free access to lower rates that allow you to realize significant cost savings on intrastate and international calling. Every PowerNet Global account is set-up with the capability to use PowerDial.
